

THESE DAYS YOU NEED TO DO MORE WITH LESS

Sparkling Stemware With Stemshine

In today's tough economy you need to find ways to improve the efficiency and effectiveness of your operation. Campus Products' award winning Stemshine is a great tool to get more out of your glassware:

✓ MORE

- * More volume
- * More consistency
- * More safety
- * More **SHINE!!**

✓ LESS

- * Less labor
- * Less chemicals
- * Less complaints
- * Less spots
- * Less breakage

Stemshine is the small footprint wonder that fits into just about any back-of-house or bar operation that pays for itself in less than 1 year!! Find out more about Stemshine—visit the CPI website at www.cpishine.com

Stemshine was recognized in 2008 as one of the NRA's Kitchen Innovations.

Polish & Sanitize With Silvershine

Winner of the NRA's 2007 Kitchen innovations award. Silvershine paves the way to a superior flatware presentation by automating your polishing and drying process. Just drop drop washed, wet flatware in the hopper and the machine does the rest—giving you a perfect shine everytime!

- > Brilliant shine
- > Improved presentation consistency
- > Reliable UV sanitization
- > Reduced labor costs
- > Works with silverplate or stainless steel
