

## Extended Warranty Program SERVICE PARTNERSHIP

### Winston is Pleased to Partner with Parts Unlimited

Parts Unlimited is a parts supplier and service company operating out of Greenville, South Carolina.

### What Are the Partnership Benefits?

Partnering with Parts Unlimited means working with one service center that provides honest prices, reliable service and factory direct training. It also means less downtime and waiting for parts and service call-backs, reduced costs for stocking parts, and 24/7 availability.

Parts Unlimited will ship warranty and non warranty parts until 8pm EST. This allows further support of customers after regular business hours. It will also allow us to repair warranty units more quickly to have you up and running faster.

Additionally, your parts pricing has never been better: Parts Unlimited is guaranteeing 40% off list price to Winston's school customers!

Phone support will be provided by Parts Unlimited 24 hours a day, 7 days a week, 365 days a year, focusing on parts distribution, pricing and general customer service. The Winston team will retain the responsibility of technical support, handling technical questions and troubleshooting. The primary point of contact for any field issues, should always be Dennis Hall at Winston, with the secondary contact being Parts Unlimited.
